Perth's coastline

"I love to sneak in a mince pie for breakfast, even though we always have a big lunch with lots of champagne and wine. Last year we celebrated in Noosa, which was bliss – lots of sunshine and a few afternoon swims."
LUCY FOLK, JEWELLERY DESIGNER

"Lying in the cool ocean off our fair coast in Perth."
KYM ELLERY, DESIGNER

"All I want is to see my family. I spend the day at my grandparents' and we do the same thing every year: cricket, a barbecue and pool volleyball. We eat potato bake and my family makes amazing salads. We spend the whole day in the pool, so I'm usually dressed in togs and a Santa hat."
CATHERINE McNEIL, MODEL

"I AM HOPING TO COME TO AUSTRALIA TO BE WITH MY FAMILY. WE ALWAYS HAVE A CLASSIC CHRISTMAS DINNER."
MARTIN GRANT, DESIGNER

Yeojin Bae

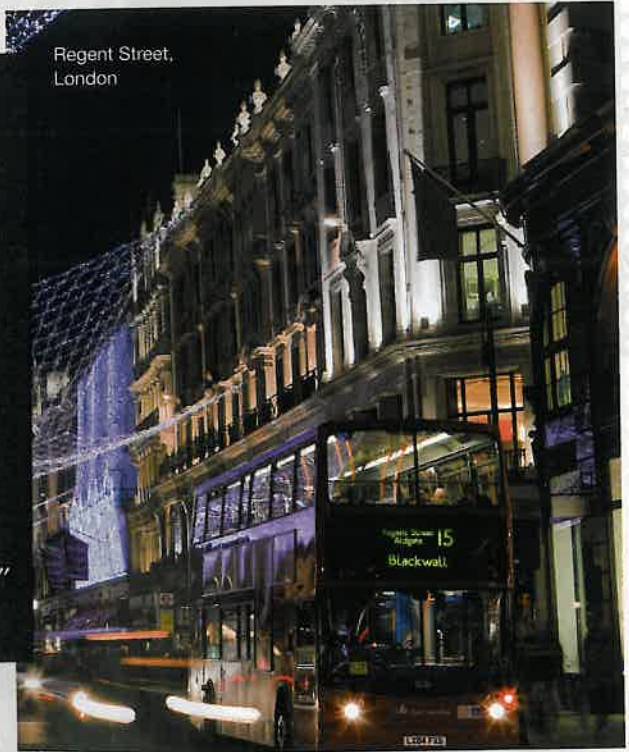

"I start the day with brunch at home with my parents, sister and husband. Then in the late afternoon, we catch up with close friends and hang out at the beach, swimming and eating. I plan to wear my long wrap halter dress in fuchsia, flat sandals and my Bailey of Hollywood panama straw hat."
YEOJIN BAE, DESIGNER

"SIMONE AND I HAVE A CHRISTMAS TRADITION OF GOING SHOPPING TOGETHER FOR JEWELLERY. WE GIVE EACH OTHER A SPECIAL PIECE THAT WE HAVE USUALLY HAD OUR EYE ON FOR A LITTLE WHILE. IT'S OUR REWARD TO ONE ANOTHER. CHRISTMAS DAY IS ALL ABOUT EXTENDED FAMILY AND GREAT FOOD. THE MORNING STARTS AT ABOUT FIVE O'CLOCK WITH MY CHILDREN TAPPING ME ON THE FACE; AND AFTER WE OPEN PRESENTS WE WILL HAVE A BIG FAMILY LUNCH AT PALM BEACH WITH FRESH SEAFOOD AND TRADITIONAL CHRISTMAS CAKE."
NICKY ZIMMERMANN, DESIGNER

"This year we will be keeping things really simple. A swim at the beach, opening some presents with the children, a glass of pinot and time with the family."
GENEVIEVE AND ALEXANDRA SMART, DESIGNERS OF GINGER & SMART

"I have a Nordic Christmas with a dear Danish friend on Christmas Eve. On Christmas Day we have the traditional English lunch. I love all the traditional foods – mince pies, roast turkey and roast vegetables. My family has created their own tradition and Mum always makes rocky road. Every summer collection we design a couple of ultimate Christmas Day dresses – cool, pretty, easy-to-wear, yet special. I always love to have a dress that I have not worn before."
FLEUR WOOD, DESIGNER

"It has become a tradition for me to host an orphans' Christmas for all the expats in London. We always start with good and proper intentions but end up getting into the Christmas spirit ... we wear wigs and high heels and end up doing ridiculous photo shoots. Although pride has suffered, nobody has been seriously hurt yet."
GEOFFREY J FINCH, DESIGNER OF ANTIPODIUM
