DEFINITIONS

Administrative Date: The Administrative Date is the last date that you are to complete the requirements for enrolment or progression and finalise tuition fees for the relevant study period. The **Administrative Date** is the **study period commencement date**.

Census Date: is the deadline for various requirements, including submitting your *Request for FEE-HELP Assistance* form for a FEE-HELP loan. If you miss the Census Date, you will not be eligible to access FEE-HELP for that study period and will be required to make up-front payments of your tuition fees. The Census Date is also the deadline for withdrawing from subjects without incurring the full cost of your subject(s) or a FEE-HELP debt. Census Dates occur each study period. It is the student's responsibility to be aware of the Census Dates for each study period of study and notify any changes to their enrolment before this date. It is also the last date that you can change your mind about studying without incurring academic penalty *except in exceptional circumstances*.
