Academic Credit – BDES Direct Entry Application Form

Declaration

I hereby declare that I have read the Academic Credit/Recognition of Prior Learning information and that the information provided by me is true and correct, without amendments, and complete to the best of my knowledge. I acknowledge if an application for Academic Credit is successful, a result of Advanced Standing will be recorded against the relevant subject(s). Provided academic credit is approved before the census date, the subject(s) will be removed from the student load and therefore not incur a debt/fee. If paid upfront, the pre-paid fee for approved subjects will be refunded. If an application for Academic Credit is submitted and/or approved after the census date, the debt/fee will still apply regardless of outcome. In some cases, previous experience/qualification may only provide partial recognition for a subject. Under these circumstances, partial approval will be recorded, but there is no reduction in the fees for that subject of study.
