Academic & Census dates: see the following schedule for the applicable study and census dates that apply for the campus of enrolment.

The Subject Fee Schedule (Tuition Fee) applies for new and resuming domestic Bachelor of Design students as of 1 January 2023 and is subject to annual review and alteration. Any Subject Fee** increases are applied at the beginning of each calendar year (or nominated date) and will affect the total Tuition Fee*. This does not include additional subject fees due to repeating subjects in the event of unsuccessful completion or reduction of fees due to academic credit awarded. Fees are invoiced on a study period basis based on the enrolled load for that study period. All fees are in Australian Dollars and inclusive of GST where GST is applicable.

DEFINITIONS

Administrative Date: The Administrative Date is the last date that you are to complete the requirements for enrolment or progression and finalise tuition fees for the relevant study period. The **Administrative Date** is 2 weeks prior to the **study period commencement date**.

Census Date: is the deadline for various requirements, including submitting FEE-HELP(NU) eCAF (*electronic Commonwealth Assistance Form*) for a HELP loan. If you miss the Census Date, you will not be eligible to access HELP for that study period and will be required to make up-front payments of your tuition fees.

The Census Date is the deadline for withdrawing from subject(s) without incurring the full cost of your subject(s) or a FEE-HELP debt. Census Dates occur each study period. It is the student's responsibility to be aware of the Census Dates for each study period of study and notify any changes to their enrolment before this date. Census Date is also the last date that you can change your mind about studying without incurring academic penalty *except in exceptional circumstances*.

GENERAL FEE INFORMATION

Students who are accessing FEE-HELP are not required to cancel their eCAF if they subsequently choose to pay their tuition fees upfront in full or in part. If payment is made on or before the Census Date for a subject(s), the student will not incur a FEE-HELP debt for that subject(s).

If a student elects to pay their Tuition Fees upfront, this does not prevent them from accessing FEE-HELP at any time, provided a completed eCAF is lodged by on or before the relevant Census Date. In these circumstances, a refund of any pre-paid Tuition Fees will apply.
